IMPORTANT INFORMATION REGARDING SCHOOL BUS TRANSPORTATION

Please be advised that all students (excluding Anchor & Delta Students) begin classes at 9:00am. As a result, some routes will fill to capacity faster.

Should a driver's route become full (42 students per bus) prior to completion of the route, the driver is to follow these procedures:

- *Notify their dispatcher of the location where they are at capacity. The dispatcher will call for another bus to assist if it close and can accommodate the additional students or advise the driver to return after dropping off at school.*
- *they must continue to the next stop to notify the students that they are at capacity and that either; 1) they will return or 2) another driver will arrive to transport them to school*

Students who arrive late due to the school bus will not receive a tardy to class.

You may contact Kickert School Bus Company to obtain an approximate time of arrival to your student's bus stop at (708) 758-4740. You may also contact the HF Transportation Dept. at (708) 335-5520.
